2022 APPLICATION FOR MEMBERSHIP:

Thank you for your interest in joining us. We are a group of Maine craftspeople and artists who have come together to offer high quality, Made in Maine items to the public in our shop. Gathering as a co-operative allows each of us to have access to a retail location on busy Main Street in Southwest Harbor as well as group advertising, credit card processing, packaging and sales staff representing our products that as individuals, we may not be able to achieve on our own.

We offer three levels of Membership:

FULL MEMBER: You are automatically considered a member of the Board of Directors, with one vote per member. As a Full Member, you agree to:

- Pay a one-time \$200 non-refundable membership fee, due upon acceptance
- Attend meetings (approx 3 per year) where we jury in new members & consignors, vote on policies, co-op decisions and clean the store.
- Pay an annual space fee, which is currently \$600 for an 8-foot space. You may take a smaller space, if it better suits your product line. Space fee may be deducted from your sales throughout the season and does not need to be paid upfront. Please refer to Policy Sheet for more details. (updated policy sheet coming soon)
- Work shifts in the store approximately 10-13 days per season (May - Oct).
- Allow the store to take 15% of your sales to cover store expenses. (If store expenses are less than 15%, you will receive a refund check in January or February for the difference.)
- Allow a one time "Operation Loan" (\$200) to be deducted from your sales at the end of your first season to put in account for off-season expenses. The loan is returnable upon your departure from the co-op. (See Policy Sheet for more explanation).

Members will vote and you will be notified at that time if present or shortly after the meeting whether your work is accepted or not.
